

Navan's urban rain gardens

Brightening up our town, protecting our rivers, and helping our pollinators.

Navan's towns rain garden planters will be made with treated timber...

... but we are very keen to use salvaged materials! If you have anything we could use, please get in touch at WildAboutNavan@gmail.com

See our website www.WildAboutNavan.ie to learn more about our rain garden project: what they are, why we need them, and how you can get involved!
